

IT'S ABOUT TIME  
WE LET THE WORLD KNOW  
HOW MUCH WE ARE LOVED.

#LIBRARYLOVERS

Patrons love so much about their libraries--events, books, movies, ebooks, and most of all their librarians! The MBLC is delighted to bring back our **#LibraryLovers** ❤️ campaign this year to ensure that our Massachusetts libraries get some LOVE this Valentine's Day and that state representatives hear directly from library patrons about the value and importance of public libraries.

### Ways to participate during the month of February:

- ❤️ Direct patrons to [LoveMassLibraries.com](https://www.loveMassLibraries.com) to submit their Valentines online and/or view Valentines from other **#LibraryLovers** ❤️.
- ❤️ [Print flyers](#) and [Valentines](#) and create a passive display table or stations so patrons can complete a valentine or make their own.
- ❤️ Use [social media posts](#) and encourage your patrons to share their Valentines online and use **#LibraryLovers** ❤️s.
- ❤️ Download **#LibraryLovers** ❤️ materials from [MBLC Awarehouse](#) to post and share widely.
- ❤️ Collect & send paper valentines that your patrons complete directly to your legislators. Names and addresses of your representatives may be found at [malegislature.gov/Search/FindMyLegislator](https://malegislature.gov/Search/FindMyLegislator). Please do not send any valentines to the MBLC office this year.
